

New Source Review newspaper advertisements for construction permit applications, October 4, 2018. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be published on one of the following dates: September 28- October 4, 2018. Public notices are generally published every week. The previous publication of public notices was October 1, 2018.

### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15<sup>th</sup> Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2<sup>nd</sup> Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

### HEADER

The applicant is Sherwood Mining Company, LLC with a mailing address of P.O. Box 130, Sherwood, TN 37376. They seek to obtain an air contaminant permit (Division identification number 26-0106-04 / 974476) for construction of a rock crushing operation located at 9881 Sherwood Road, Sherwood TN 37376. This operation consists of rock crushing operation (fine grinding) including conveying, transporting, drying and screening operations and associated equipment used to produce fine grind materials. Wet Suppression system would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Younes Aleali is the assigned Division person.

For the Franklin County “*Herald-Chronicle*”, publish on Friday, September 28, 2018.

### HEADER

The applicant is Miyake Forging North America Corp. with a mailing address of 253 Miyake Drive, Surgoinsville, TN, 37873. They seek to obtain an air contaminant permit (Division identification number: 37-0202-02/74787) for a Shot Blasting Operation located at the same address. This proposed operation would consist of an abrasive blasting machine used to clean and polish the surface of metal parts. Cyclone will be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. E. King is the assigned Division person.

For Pulaski – “Pulaski Citizen”, publish on Wednesday, October 3, 2018

---

### HEADER

The applicant is Brainchild Creative, LLC with a mailing address of 3275 Newport Hwy, Suite 11, Sevierville, TN 37876. They seek to obtain an air contaminant permit (Division identification number 78-0363-01 / 974315) for a gelcoat lamination operation located at 3275 Newport Hwy, Suite 11, Sevierville, TN 37876. This existing operation consists of a gelcoat/fiberglass lamination applications and grinding operation used for their custom sculpture manufacturing operation. Exhaust filters are used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. Younes Aleali is the assigned Division person.

For the Sevier County “***Mountain Press***”, publish on Tuesday, October 2, 2018.

### HEADER

The applicant is UGN, Inc. with a mailing address of 2252 Industrial Drive, Valparaiso, IN 46383. They seek to obtain an air contaminant permit (Division identification numbers: 57-0278-02, 06 and 07/974895) for an Automotive Sound Insulation Manufacturing Operation located at 48 UGN Way, Jackson, TN 38305. These existing operations consist of four (4) Mudguard process units, one (1) carpet process unit, and one (1) Fleece line with associated Fleece Line Oven. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be no physical construction. Regulated air contaminants are emitted by these sources. Mr. Jim A. Attar is the assigned Division person.

For the Madison County “***Jackson-Sun-Daily***”--publish on Thursday October 4, 2018.

---

### HEADER

The applicant is Magotteaux Inc. with a mailing address of 2360 Industrial Loop Road, Pulaski, TN 38478. They seek to obtain an air contaminant permit (Division identification number: 28-0025-72 & 73/74767) for two new Induction Furnaces located at the same address. The proposed modification will remove two (2) existing electric arc furnaces and install two (2) new induction furnaces. Baghouses will be used for air pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mrs. Sarosh Kaiser is the assigned Division person.

For the Giles County “***Pulaski Citizen***”--publish on Wednesday, October 3, 2018.
